Subject: Stockholder Distribution

As you are aware, earlier this year the board and stockholders of MyBusinessLoan.com, LLC (“Company”) approved the dissolution of the Company. The Company has now liquidated all of its assets and has reviewed all claims filed by creditors and determined that the amounts owed to creditors exceed the proceeds from the liquidation of the Company’s assets. You should consult with your tax advisor regarding the tax ramifications of the dissolution, but there are no funds available for a distribution to stockholders of MyBusinessLoan.com, LLC.
